

# Photography by Shadetree Photography

Shadetree Photography is excited to be the official photographer of the Galaxy of Stars® Talent Search at the Nebraska State Fair. Photos will be taken of each performer(s) during their performance. These will include but not limited to close-ups, action photos, and overall photos. The awards presentations will also be photographed.

In addition to this, portrait photos will also be available. Shadetree will provide backgrounds and props. This is a great opportunity for head shots, designer portraits, group portraits, and more. There are no pose limits, but time will be limited, depending on contest schedule.

Photos will be available to order at the event as well as online at [shadetreephoto.photorefect.com](http://shadetreephoto.photorefect.com). Orders at the event are check and cash only. **Credit/Debit card payments are accepted through the secure online ordering system.** Please fill out the attached order sheet, whether you plan to order at the event or not, and turn it in when you have your portraits taken. This will speed up the process and help Shadetree serve you. Prices listed have tax included (at event only). Tax is charged online.

**All orders have a \$3.00 Postage fee.**

Coffee table albums are also available as several sizes. These items will have to be ordered after the event via direct contact (phone or email).

## Digital Art

Digital Art is a great way to enhance photos and make them one of a kind.

The following styles are *free of charge*

Black & White, Select Color (Part of photo in B&W, rest in color), Personalization (i.e. name on wallets, etc)

Other Digital Art has a setup fee of \$15.00 per artwork (available any size). This includes collages, montages, overlays, etc.

Many, many other photographic products are available. Just ask!

Shadetree Photography looks forward to working with you and wishes you luck.
