Justin Kane

Available for Fairs, Festivals, Corporate Events,
Fundraisers and Patriotic Tribute Concerts

After serving our country for 9 years in the U.S. Navy, Justin Kane returned to his home town in western Nebraska. Since his return, Justin has been using the talent God has blessed him with to share his love for the U.S. and to remind all of us that **WE ARE STRONG** as a country when we are united together, **WE ARE RESOLUTE** when we stand together, **WE ARE COURAGEOUS** when we have faith in ourselves, in our country, and in God. However busy our lives may be, we can be grateful for what we have, because **FREEDOM IS NOT FREE**

Justin's high energy show is a mix of country, southern rock, modern day hits and empowering originals. Fan favorites include the fun-loving, feel good songs "Cowgirl Crazy" and "Match I Wanna Light." Other songs include "They Said He Wasn't Hurt," that brings to light a desperate need to help those who struggle from the invisible scars of war, "American Strong," which pays tribute to the service of our veterans, the U.S. armed forces and their families, and his new national radio single, "Our Flag Is For The Fallen," which reminds people that our flag is a symbol of "Courage, Faith, Hope and Freedom."

"Justin is an amazing performer and songwriter. He is extremely personable and involves his audience, both young and old, in his music. He is extremely proud of this country, and it is definitely reflected in his music. We have had him perform at our Deuel County Fair on several occasions and he has never disappointed us."

Teri Doty – Deuel County Fair Board Member

"Justin has a true passion for his music. You can see the energy and dedication to detail, and feel the heart and desire that he puts into every song. You can completely relate to the songs that he sings and can hear that passion in every song."

Bill Boyer - Director of Operations, KNEB Radio

"Justin and his band were the opening act for Josh Turner at our concert at Five Rocks in Gering, NE. We received so many compliments for the job he did. Justin got the crowd into the right mood for a great evening of entertainment."

Chuck Schwartz – Station Manager, KNEB Radio
